

How to log in using the UoA-Guest-WiFi account

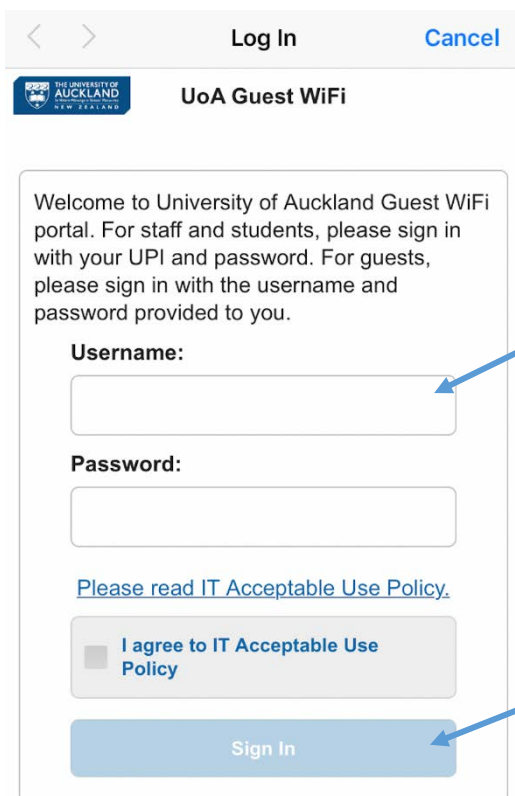

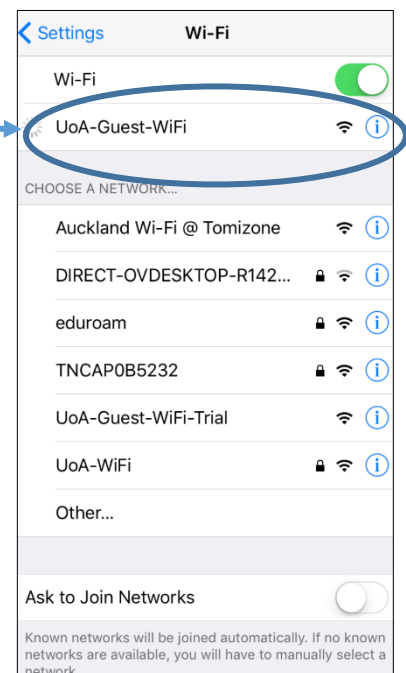

You will have received a username and password either by email or a printed hand out (depending on the option selected at creation).

The email will look like this

On your device (e.g. laptop, iPad, phone etc) there will be 'UoA-Guest-Wifi' when you check your wi-fi options.

Click on the UoA-Guest-Wifi.

Enter the Login details provided i.e. username and password.

You will be asked to 'Accept' the 'IT Acceptable Use Policy'.

Click 'Sign In'.

Internet access is now available.
