Account to Account Top Ups

To make an Account to Account top up, go to: [campuscard.auckland.ac.nz](http://campuscard.auckland.ac.nz).

1. To top up your Flex balance, enter the amount you want to top up. Click Submit.

2. The browser will navigate to the Payment Express / DPS payment gateway for an account to account transaction. Select the bank you will be transferring funds from and acknowledge that you have read and accepted the terms and conditions. Click Next.
3. Enter the appropriate login details for your bank. The specific wording of this varies from bank to bank (Customer Number, Access Number etc.). Click Next.

4. You will then be challenged with your Banks specific security questions. Click Next.
5. Once you have answered successfully, select the bank account you wish to deduct the funds from. Click Next.

6. Review the reference data that will appear on your bank statement. Click Next.

7. Enter your 2 factor authentication code. Click Next.
