

Wireless network instructions

Connecting to the UoA-WiFi network – iPhones/iPods/iPads

Note: This guide is for use with wireless-enabled iPhones/iPods/iPads, using their in-built wireless configuration service only.

Connecting to UoA-WiFi

In your main menu, select **Settings**:

In "Settings", select **Wi-Fi**:

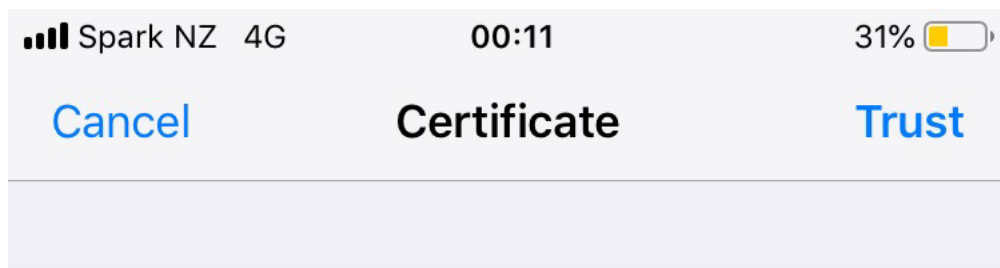

A list of available networks should display. Select **UoA-WiFi**:

When prompted, enter your University "username" and "Password", and then select **Join**:

You will be prompted to accept the security certificate for the network.
